

ALTERNATIVE DISPUTE RESOLUTION SOCIETY (ADRS)

OBJECTIVES

The *Alternative Dispute Resolution Society* ADRS is the student body entrusted with the responsibility of administering and facilitating ADR related activities at AIL. It aims to enrich the ADR culture at AIL whilst upholding the high standards of excellence that AIL has set forth for itself.

The purpose of the ADRS is to focus on following aspects:

- To disseminate information about various competitions, opportunities etc. in the field of ADR, in order to promote participation and successful outcomes;
- To conduct practical and interactive sessions (basic and advanced) related to ADR to hone the researching skills of the students and endow them with the analytical skills to take up inter-disciplinary studies and evaluation of law;
- To organize intra-college events to familiarize students with an active competitive environment and for augmenting participation in ADR competitions thus, familiarizing and preparing students in the area of ADR.
- To conduct training sessions, guest lectures, panel discussions – inviting eminent members from the Legal Fraternity to give students insights of ADR.
