

IOAC

Internal Quality Assurance Cell (IQAC) was established in 2015 at Army Institute of Law, Mohali after the institute's first accreditation in 2014 with a Grade 'A'. The main objective of IQAC is to work towards post accreditation quality sustenance and quality enhancement in the institute.

From its inception, the IQAC is an integral part of the institute's academic and administrative functioning. It is working in the interest of stakeholders of the institute while ensuring holistic academic excellence.

Tenets of IOAC:

- Ensuring the relevance and quality of academic and research programmes.
- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Optimization and integration of modern methods of teaching and learning along with the credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and functioning of the support structure and services
- Research sharing and networking with other institutions in India.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including organization of inter and intra institutional workshops, seminars on quality related themes and adoption and dissemination of best practices.
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
