- (e) Providing of certificate of originality and guarantee card of items as applicable.
- (f) Almirahs and lofts to be tightly secured to the wall and to be of exact fit. A PVC layer to be provided between the wall and the almirah and loft to prevent ingress of moisture into the wooden furniture and to obviate any scope of insects / lizards hiding behind almirah and loft.

72. **Sufficiency of Schedule.** The contractor shall be deemed to have satisfied himself before tendering as to correctness and sufficiency of his tender for procurement and fitment of wardrobe and the luggage loft for AIL G+3 Girls Hostel and covers all obligations under contract for satisfactory completion of works, and stipulated performance of system/equipment in its preview. The selected contractor will be required to furnish following certificate on his/her official letter head.

**“ I have perused the Schedule of Quantities and rates along with design for manufacturing and installation of Almirahs and Luggage Lofts for hostel rooms of girls hostel of AIL Mohali and certify its completeness and adequacy.**

**GENERAL CONDITIONS OF CONTRACT**

73. **Work Order.** The work order conveys final agreement between owner and contractor on terms and conditions and is exclusive statement of terms of their agreement. Any discrepancy in schedule of quantities and ground requirement shall be brought to notice of owner/PMG for decision, immediately.

74. **Modification and Variation.** The order may be amended, modified, or rescinded only in writing by both the parties and their duly authorized representatives pursuant to terms stated therein.

75. **Make of Material.**

- (a) **Plywood Material to be Used.** Plywood 19 mm water proof Make Action Tessa/ Green ply/ Century.
- (b) **Sunmica to be Used.** Sunmica 0.8 mm make Action tessa /Century/ Green ply.

(c) **Fitment Items.** Hinges all types, Channels for drawers of tables to be of Hettich, Floor Protector Cap (shoes) for each item to be provided,.

(d) Providing of certificate of originality and guarantee card of items as applicable.

(e) The selected vendor will get the shade of sunmica approved from the college administration.

76 **Authorities and Law .** Contractor shall indemnify owner from all conflicts arising out of provisions of regulations and laws.

77. **Material and Workmanship.**

(i) All the materials to be supplied for execution of works shall be of first quality, new and strictly as per specifications.

(ii) Wherever available, material/equipment to be of ISI mark.

(iii) The contractor shall be responsible for any loss or damages to the building fittings or surroundings due to work carried out by him and will make good the loss at his own expenditure.

(iv) All the rates are deemed to include manufacturing / fabrication handling, testing and erection for all items.

(v) All the works shall be executed with highest quality of workmanship and as directed by the owner/as per industry standard.

(vi) The quality of products could be better but not inferior to samples provided by the owner. Quality and material if found below the given standard will be rejected.

78. **Co-ordination.** Contractor or his authorised representative shall be responsible for coordination with all other agencies working at site for smooth functioning and timely completion of works. The Contractor shall arrange his work program to suit the manufacturing and priorities given by Owner.

79. **Arbitration.** All the disputes of any kind in connection with contract shall be referred to the College Administration for settlement. For legal remedies, jurisdiction of District Courts Mohali shall apply.

80. **Removal of Material/ Installations.** The owner during the progress of work have power to order in writing removal from the works any material/installations which in their opinion are not as per specifications or instructions, and for carrying out

rectification/rework within specified time and contractor shall carry out such removals/rework as per specification at his own cost. The owner/engineer can get such rectifications/rework done from other agencies at the cost of contractor, if the same are not carried out by them in the stipulated and agreed period.

81. **Labour Laws.** Existing labour laws in district Mohali shall apply. All laws related to Labour, PF, ESI, medical insurance etc. shall be adhered to by contractor. No child Labour shall be employed by contractor.

82. **Date of Commencement and Time for Completion.** The date of commencement of work shall be accounted from the date of issue of Work Order. A total of 30 days allotted for completion of work.

83. **Time Extension.** No time extension of the work because accommodation is to be allotted to the students after 30 days.

84. **Penalty for Delayed Completion of Work.** Having laid down the date of commencement and completion of work, the builder will prepare a schedule of work and submit same to the owner. Final schedule will be worked out in mutual consultation between the owner and the contractor within the overall period of 30 days or less given for completion of work. All payments will be made as per completion of schedule of work. Any delay in schedule of work will also lead to delayed payment. In addition, penalty of 2% on the due amount on the running bill due as per schedule will be levied. The delay will however be not applicable in conditions as brought out under para 90. In all such cases, the builder will be duty bound to bring the delay to the notice of the owner in an earliest possible time frame and same to be submitted to the owner in writing.

85. **Termination of Contract.** Owner shall be entitled to terminate the contract in case contractor fails to fulfil one or more conditions of contract

- (a) Has abandoned the work.
- (b) Has failed to commence the work or has without any lawful excuse under contract conditions suspended work progress for more than two days or has failed to proceed with the works and failed to make such due progress for timely completion of works .
- (c) Has failed persistently to observe and perform works as per specifications and contract conditions.
- (d) Subletting of contract.

### **SPECIAL CONDITIONS OF CONTRACT**

86. **Storage/ Working Space and Material.** It is expected that contractor will manufacture some part of almirah and loft at his / her workshop and some part at

site for exact fitting. Therefore, there will be a requirement to assemble some of the furniture or carry out alterations and fittings at site. College will assist the contractor by providing him and his staff working space to carry out essential work during working hours. No staff of contractor will be allowed to stay inside the campus overnight. Contractor will however be responsible for payment of usage of electricity.

87 **Security and Safety.** Following security and safety precautions to be followed:

- (a) Entry of worker will be controlled for security. The supervisor/representative of contractor to identify the worker and then only they will be let inside the campus.
- (b) The contractor shall strictly follow all security rules of AIL particularly bearing upon the inward & outward movements of his transport, people and equipment and shall also execute the work in such a manner so as to cause the minimum disturbance to the working of the owner.
- (c) Worker handling equipment should be suitably trained to prevent any accident. Security precautions should be followed while working on the height.
- (d) There should be no littering of stores at site.
- (e) Identification documents (photocopies of the Voter card or Adhaar Card for the labourers will be submitted at the gate. The Project Monitoring committee shall be notified first if there is a change in labour the following day.
- (f) Owner / PMC or their authorized representative shall carry out check of progress of work by visiting work site for timely delivery.
- (g) Readily accessible First Aid Kit including adequate sterilized cotton and dressing shall be provided on site. Contractor is to make all arrangements to prevent injury or damage to workers and material due to electrocution.

88 **Inspection of the Furniture.** Project Monitoring Committee of the college will be responsible to check each item of the furniture for its specifications, manufacturing and serviceability.

### **Prices**

89. The prices quoted in the schedule of works shall remain fixed during the period of contract. Bidder shall clear state taxes, statutory duties and levies which he is required to pay. The rates quoted by Bidder for the items in schedule of rates shall be inclusive of all taxes, duties etc. No separate amounts shall be payable to the contractor on this account. Any upward statutory duty/ tax variation shall be payable on production of proof and necessary reduction shall be effected for downward variation.

### **Payments**

90. Having laid down the date of commencement and completion of work, the builder will prepare a schedule of work and all payments will be made as per completion of

schedule of work. Any delay in schedule of work will also lead to delayed payment. In addition, penalty of 2% on the due amount on the running bill due as per schedule will be levied. The delay will however be not applicable in conditions due to acts of fire, floods, earthquakes and other acts of God, sabotage, revolt, strikes and lockout of more than 2 weeks. In all such cases, the contractor will be duty bound to bring the delay to the notice of the owner in an earliest possible time frame and same to be submitted to the owner in writing.

91. Running bills will be submitted as per schedule of payments mentioned in payment plan given at para 94 below.

92. The payment of the bill submitted by the vendor should be as per the Schedule of quantities and will be paid within 14 days of submission of bills. The gap between the two bills will be minimum 15 days.

93. The payment will be made after making deductions of TDS as applicable.

94. **Payment Terms.**

- (a) 10% as an advance.
- (b) 40% after completion of 50% work.
- (c) 50% after completion of work.

#### **Defect Liability**

95. **Completion of Work.** The work shall be deemed to have been completed on supply of all items of furniture as per given specifications and quality accepted by the owner after due checks and inspection in writing. The "Defect Liability Period" shall commence from the date of such acceptance by the owner and will expire after 365 days from the date of commencement except where ever individual warranty/ Guarantee of the material/ items exists.

96. Any defects, faults, deterioration in performance of the material and installations which may appear, during the "Defect Liability Period" of **twelve months** or any period as given in the guarantee clause of various items used in the project as agreed by both parties shall be amended/made good by the contractor at his own cost within a reasonable time as mutually agreed between the owner and developer.

97. In case of default on provision of para 82 above, owner may employ and pay other person to make good the defects and deduct the expenses from the dues payable to the contractor.

#### **COMPLETION CERTIFICATE**

98. **Drawings and Documents.** On completion of work, the contractor will submit two copies of complete drawings in colour covering all essential details of specification of

each items of furniture, fittings and electrical work. Following set of (two copies) will be submitted: -

- (a) Specification of each type of furniture, colour photo of each product from at least three angles.
- (b) Details of brand and specification of material used.
- (c) Guarantee/warranty cards in respect to each material / equipment.

99. **Agreement.**

- (a) The (Contractor) selected vendor will be required to sign an agreement with the College after completion of Tender process and selection of L1 vendor.
- (b) The Agreement will contain all conditions of contract, Scope of Work, General and Special Conditions of Work.
