

## Army Institute of Law, Mohali

### Enabling Legal Framework Affecting Procurement of Goods and Services (23 - 27 Aug 2021)

**Program Coordinators: Dr. Bhupinder Kaur & Dr. Harpreet Kaur**

1. **About the Course:** The program is meant to serve as a platform to cover relevant topics of concern for participants. The Training Program is exhaustive in nature and spans over a period of 5 days. The program entails to bring together experts and academicians in order to culminate it into a fruitful learning process.
2. **Objectives of the Course:** The institutional and legal framework for procurement in India is derived from the Constitution of India. The President, through his exercise of executive powers, entrusts the function of procurement to the ministries of the Government of India. There is no central legislation governing public procurement in India. Comprehensive rules and directives are contained in the administrative rules and guidelines including, predominantly, the General Financial Rules. This MDP program is categorically engrossed to dwell upon the efficacy of present legal system to address the legal issues in the hands of procurement organization and to equip the beneficiaries of the program, with adequate legal foresight on the relevant issues.
